

## Clarinet First Notes

Who's Awesome?

Is your –

- reed on your bottom lip?
- clarinet angled down between your knees?
- head up?
- back straight?
- right thumb under the thumb rest?

Are your –

- teeth on top of your mouthpiece?
- left fingers covering the holes completely?
- using strong, stomach-muscle air to blow through the clarinet?

		G	
		F	
		E	
		D	
		C
